## DRAFT deliberative

**Deschutes Updates as of 5/9/2018**

- Schedule for next couple of weeks:
  - Decision Memo: We've received extensive comments from OGC, and a few from the HQ TMDL program. We are giving the program until COB Monday 5/14 to provide additional comments. Currently making changes to the document based on comments.
  - Will develop draft briefing materials for the RA by the end of this week (5/11) and share with Dan/ORC to review.
    - Final briefing materials are due to the RA's office by 5/17.
  - Briefing with the RA on 5/21.
- New Updates/Questions:
  - (b) (5)
  - State has asked whether we will have any press release or public outreach on our action?
  - (b) (5)
  - (b) (5)
  - For bacteria TMDLs that were re-submitted in 2017 (and on the basis that the 2017 submittal supersedes the 2015 submittal), we will disapprove based on the public notice issue alone. *Note:* there are 5 segments which don't meet WQS for downstream waters.
